WEDNESDAY AND THURSDAY, JUNE 13 & 14

PIONEER LIFE DAYS

We will move “forward” to the time of the early settlers. We’ll dress up and do activities they would have done including grinding corn into corn meal, making butter, using a small loom, playing pioneer games, and other activities. We’ll also visit the One Room School and the Country Church. We’ll look at the many tools in Harvest and Heritage Halls that would have been used by Rice County Pioneers.

FAMILY DAY

Friday will be our day to make a family history booklet and then during the last part of the morning we will share the week’s experiences with family and friends.
