

Riverside Rendezvous Education Days Form

On behalf of all of us at the Rice County Historical Society, we want to welcome you and say thank you for joining us for our first Riverside Rendezvous. We ask for patience as we continue to refine this event to make it better in the years to come. Below are some Day of Event Procedures and Rules for the event.

As we look to 2027, we welcome any feedback on how we can better refine the programs to make the experience great for you and your students. Thank you again for coming, your patience, and please have fun!

Day of the Event Procedures

- All workshops are approximately 20-25 minutes long. While we will do our best to keep time, we ask that teachers and chaperones help us in keeping the groups rotating on time. Thank you.
- We ask that larger groups prepare in advance to break into smaller groups of about 20.
- Each group will rotate independently to the different workshops and stations.
- If your bus is waiting for you, please inform RCHS staff in advance so we can allot parking space for them.
- If a group is currently at a workshop, we ask you to kindly wait patiently for the group to finish as too many students can block walkways and overload our demonstrators. Some stations may be able to accommodate two classes, but RCHS staff and volunteers will be available to help guide you.
- Your class/group will be provided with a list of times for the various workshops within 48 hours of your scheduled field trip.

Rules

- We ask that groups remain out of the walking paths as much as is possible while attending a workshop.
- Please be patient with our staff and our demonstrators.
- Classes may bring their own lunch, though some food vendors will be open and available as well.
- We ask that classes thank our demonstrators for coming out and sharing their experience with all of us.
- For everyone's safety, students may NOT touch anything in a workshop space without verbal permission from the demonstrator.
- Fighting will be tolerated

Riverside Rendezvous Education Days Registration

Day(s) Attending: ☐ Thursday ☐ Friday

Name of School/Group: _____

Name of Teacher/Contact: _____

Contact Number: _____

Contact Email: _____

Approx. Number of Students: _____ Grade Level(s): _____
